

ENVIRONMENT POLICY

Fleurieu Cranes Pty Ltd is committed to conducting its business in a manner which promotes environmental protection and sustainability.

We will achieve this by:

- Maintaining, reviewing and continually improving an Environmental Management System in accordance with the requirements of AS/NZS ISO 14001.
- Providing appropriate resources to monitor, maintain and review the Environmental Management System.
- Establishing and reviewing meaningful and accurate environmental performance measures.
- Applying waste, energy and water minimisation principles based on the principles of reduce, reuse, recycle and appropriate disposal.
- Complying with the requirements of legislation and other environmental expectations.
- Taking all practicable steps to prevent pollution.
- Promotion of energy efficiency and conservation of resources.
- Educating and leading our people to continually improve performance in environmental management.
- Managing environmental incidents and taking actions to prevent recurrence.

All Fleurieu Cranes personnel have a responsibility to perform their duties in a manner which ensures safety and protection of the environment.
